- (e) No part-time student or one who is not a candidate for a degree shall be eligible for membership without the prior approval of the Arch Chapter.

Eligibility for membership in the Fraternity shall be limited to men of superior character and shall not be affected or determined in any manner by inappropriate or illegal discrimination.

(a) The candidate shall have achieved in the semester immediately preceding the semester of initiation an average of not less than 2.25 on a 4.0 scale in the college or university at which the initiating chapter is located or at the institution from which he transferred. In the event that the candidate is a first semester freshman, he shall have achieved an average of not less than 2.3 on a 4.0 scale during high school. The chapter's Director of Academic Affairs, upon recommendation by the Chapter Advisor and the Faculty Academic Advisor, has the power to waive such rule based on the curriculum and unique characteristics of said institution. In the absence of a Chapter Advisor and/or the Faculty Academic Advisor, the matter shall be referred to the Director of Academic Affairs of the Arch Chapter.

Upon receipt of a petition requesting a variance, the Chairman of the Committee on Chapters shall advise the respective Division President and Division Vice President of the petition and, upon their approval, may grant a variance that shall be effective for no more than one academic year. In no event shall a variance be granted that would extend the period of pledgeship beyond twelve (12) academic weeks in duration. A chapter may petition for a variance on an annual basis.

Section 3. Special Alumni Initiations. - (c) The chapter shall provide documentation that the proposed initiate has rendered consistent service to the chapter for a substantial period of time.
- (d) The proposed initiate shall be of high ideals and firm in the accepted morals and principles as taught by the great religions of the world and possess those gentlemanly qualities that promote the highest type of brotherhood.
- (e) The proposed initiate shall successfully demonstrate acquisition of a sound and thorough knowledge of the *Mission and Values* of Delta Tau Delta Fraternity.

Section 8. Ineligible Colony Initiates. Any active or alumnus member of a petitioning group that has been granted a charter may be declared ineligible for initiation by the Executive Vice President; however, this ineligibility may be removed by a eight-elevenths (8/11) vote of the Arch Chapter.

Section 9. No Chapter Affiliations. No undergraduate chapter shall enter into any relationship giving any appearance of present or prospective membership with any person not eligible for membership in the Fraternity.

Section 10. Withdrawal Of Membership. Withdrawal means voluntary forfeiture of membership in the Fraternity. After withdrawal, the former member shall be considered as expelled and not permitted to attend meetings of the Fraternity or any of its chapters, to take part in any Fraternity rite or function, or to hold himself out as a member of, or in any way to identify himself with, the Fraternity through the use of insignia or otherwise, or to have any rights whatsoever in or pertaining to the Fraternity. Withdrawal shall be effective upon a member's written notice of withdrawal delivered to the Executive Vice President of the Fraternity, provided that the member requesting withdrawal be in good financial standing.

Section 11. Effect Of Withdrawal. In the event of withdrawal, the former member shall immediately surrender to the chapter advisor or the Executive Vice President of the Fraternity his Badge of membership and Certificate of Membership, who shall forward these items to the Central Office. The Executive Vice President will notify the Chapter Advisor that this member has been withdrawn and that the chapter may remove his name from the chapter's roll.

These breakout sessions will be open to only undergraduate members of the Fraternity.

FUNDS OF THE FRATERNITY

Acknowledging that the skillful and prudent investment, use, and management of all of the funds of the Fraternity are essential to her continued existence and success and to the achievement of her Missions And Values and her strategic plan, the Fraternity hereby adopts and enacts the following provisions.

Section 1. Funds Of The Fraternity. The Funds of the Fraternity shall be known as:

The General Fund
The Delta Tau Delta Loyalty Fund
The Delta Tau Delta Centennial Development Fund
The Delta Tau Delta Legal Defense Fund

Section 2. The General Fund. The General Fund shall be the operating Fund of the Fraternity, into which shall be deposited all receipts not otherwise designated and from which shall be paid all expenses not in execution of the purposes of the other Funds. At the discretion of the Board of Directors, assets may be transferred from the General Fund to any of the other Funds.

Section 3. The Loyalty Fund. The Loyalty Fund, established in 1925, shall be and remain a capital fund, the principal of which shall not be expended for any purpose, except that the principal may be pledged as security for loans made to incorporated house corporations or their legal equivalent (hereinafter "house corporations") by lenders. To assist undergraduate chapters, the Board of Directors may authorize loans to be made from the Fund to house corporations following appropriate due diligence by the Board of Directors and/or the Executive Vice President, to obtain, build, improve, or retain chapter houses. All of the income from the Loyalty Fund shall be paid or credited to the General Fund.

Section 4. The Centennial Development Fund. The Centennial Fund, established in 1956, shall receive gifts and bequests, which may be either money or property, and such proceeds from initiation dues as shall be determined by the Arch Chapter. The Fund shall be administered by the Board of Directors which shall have the power to invest and reinvest the assets of the Fund and to establish and maintain the provisions necessary to the accomplishment of the purpose for which it is established. All gifts to the Fund shall be unrestricted and shall be used for the general purpose of the Fund.

All income from the Fund shall be credited to the General Fund. The Fund shall be a capital fund, the principal of which shall not be expended for any purpose, except that the principal may be pledged as security for loans made to house corporations by lenders. To assist undergraduate

chapters, loans may be made by the Fund to house corporations to obtain, build, improve, or retain chapter houses; provided, however, that such loans shall only be made following requisite due diligence, they shall be represented by junior mortgage, deed of trust, or other security to be repaid to the Fund in accordance with the terms thereof, and shall be in addition to any primary mortgage, deed of trust, or other financing available from the Loyalty Fund or other source. In the making of such loan, preference shall be given to newly established chapters of the Fraternity; provided, however, that the Board of Directors and the Advisory Committee hereinafter provided, if any, shall have full power and discretion with reference to the making of such loans subject to the requirements of this Article IX.

There may be a Centennial Development Fund Advisory Committee consisting of five (5) members of the Fraternity who are not members of the Arch Chapter. The members of the Committee shall be named by the Arch Chapter and shall serve for terms of five (5) years, commencing January 1 after their selection. No project involving expenditure from the Fund shall be commenced until requisite due diligence has been performed and such project has been approved by at least a two-thirds (2/3) vote of the combined membership of the Board of Directors and, if then in existence, the Centennial Development Fund Advisory Committee.

Section 5. Legal Defense Fund. The Legal Defense Fund shall receive, hold, and invest all monies contributed to it, and raised for it by an annual assessment of all initiated undergraduates of not more than \$5.00 per school year. The principal of the fund shall not be expended by the Fraternity, upon approval by the Arch Chapter, for any purpose other than to provide interim legal assistance and related services to undergraduate chapters who experience extraordinary legal challenges to their existence or viability from their host institution, or other governmental entity.

Section 6. Investment Of Funds. Anything in this Article IX herein above to the contrary notwithstanding, the assets of any Fund of the Fraternity not required for the specific purposes of the Fund may be invested, with the approval of the Board of Directors, in direct obligations of the United States of America, in such other investments as would be permissible under the so-called "prudent man investment rule", and in the corporate stock or other securities of a corporation wholly owned by the Fraternity, and may be invested in such stock or other securities of such corporation wholly owned by the Fraternity and retained, without regard to the proportion which such stock or other securities shall bear to the total assets of any Fund invested therein.

Section 7. Supervision Of Loans To Undergraduate Chapters. Chapter house loan notes and mortgages, and evidences of indebtedness due from undergraduate chapters or members, belonging to the Fraternity shall be in charge of the Executive Vice President. The Executive Vice President shall exercise requisite due diligence in considering, making, and documenting all such loans.

Section 8. Deposits. All other securities and all monies belonging to the Fraternity shall be deposited with, or placed in the custody of, such banks or trust companies as shall be designated

by the Board of Directors, and all custodianship agreements shall first be approved by the Board of Directors.

Section 9. Disbursement From Funds. Section 10. Other Funds. Other special funds may be established by the Arch Chapter to receive and accept gifts or bequests to the Fraternity on terms or conditions differing from those governing existing funds.

ARTICLE X

SUSPENSION OR WITHDRAWAL OF CHAPTER CHARTERS

It is sometimes necessary for the good of an undergraduate or alumni chapter and the Fraternity as a whole to temporarily or permanently discontinue chapter operations on a particular campus or in a particular location and, therefore, the Fraternity provides for the procedures related to such actions by the Arch Chapter.

Section 1. Power To Suspend Or Withdraw. The power to suspend or withdraw the charter of an undergraduate or alumni chapter shall be vested in the Arch Chapter.

Section 2. Suspension. Suspension of a chapter charter means the temporary cessation of all of the rights of such undergraduate or alumni chapter to operate or to hold itself out as a chapter of the Fraternity. Such suspension shall be for a stated period of time within the discretion of the Arch Chapter.

Section 3. Withdrawal. Withdrawal of a chapter charter means the cessation of the right of such undergraduate or alumni chapter to operate or to hold itself out as a chapter of the Fraternity for an undetermined period of time until conditions are favorable for a return of that chapter, if ever.

Section 4. Conditions For Suspension Of Chapter Charter. For the purpose of dealing with unsatisfactory or emergency conditions in the chapters, the Arch Chapter shall have the power under subsection 2 above to suspend the charter of any undergraduate or alumni chapter for cause and without prior notice.

Section 5. Conditions For Withdrawal Of Undergraduate Chapter Charter. If any undergraduate chapter fails to comply with the requirements of the *Constitution, Ritual*, or laws of the Fraternity, or if it appears that the interests of the Fraternity will suffer by the continued maintenance and operation of a chapter, its charter may be withdrawn by the Arch Chapter.

Section 6. Procedures for Withdrawal Of Undergraduate Chapter Charter. Charges against an undergraduate chapter for withdrawal of its charter may be presented to the Arch Chapter by any chapter or member of the Fraternity, or considered by the Arch Chapter on its own motion. A statement of the charges shall be forwarded to the chapter against which the charges have been made, notifying the chapter that action upon the charges will be taken by the Arch Chapter. If, in the judgment of the Arch Chapter, the charges warrant investigation, the President shall appoint a Phonarch to investigate the charges. The Phonarch shall submit a written report of his findings to the Arch Chapter. The report shall be considered by the Arch Chapter, and an opportunity shall be given for a representative of the affected chapter to appear before the Arch Chapter and be heard before a decision is rendered.

Section 7. Vote Required. Suspension or withdrawal of a charter of an undergraduate chapter shall be by eight-elevenths (8/11) vote of the Arch Chapter, and any other action taken hereunder shall be by simple majority.

Section 8. Notice Of Determination. Written notice of the decision of the Arch Chapter as to the withdrawal or suspension of any undergraduate chapter charter shall be given to the chapter affected and to the host institution. If the decision of the Arch Chapter is for withdrawal of the charter, notice shall be sent to the chapter concerned through a Special Representative, appointed by the President, to receive the charter, *Ritual*, and all other secret material, books, papers, and all other records in the possession of said chapter, which charter and documents shall be transmitted promptly to the Executive Vice President who shall preserve them in the archives of the Fraternity. All alumni of the chapter shall also be notified in writing of the decision of the Arch Chapter at their last known addresses.

Section 9. Alumni Chapter Withdrawal. If any alumni chapter shall fail to comply with the requirements of the *Constitution*, *Ritual*, or laws of the Fraternity, or if its membership shall fall below the number required for the establishment of an alumni chapter, its charter may be withdrawn by a eight-elevenths (8/11) vote of the Arch Chapter.

ARTICLE XI

DISCIPLINE AND EXPULSION OF MEMBERS

For preservation of the standards of membership and the harmony of the Fraternity, it is sometimes necessary to discipline members of the Fraternity. Recognizing that such discipline should only be undertaken where there is unmistakable basis for such action, as well as the need to protect the rights of every member of the Fraternity to due process and substantial justice, the Fraternity hereby establishes the specific causes for member discipline and the procedures to be followed in such matters.

Section 1. Suspension Of Membership. Suspension means denial for a definite, specified period of the usual rights and privileges of membership in the Fraternity, and such other rights and privileges as may be specified in the order of suspension, during which period the member's

Badge of membership shall be deposited with the chapter advisor of his chapter or with the Executive Vice President. Such rights and privileges denied by suspension shall consist of living in a chapter house, attending chapter and other Fraternity meetings, voting, holding office, or representing the Fraternity or participating in any Fraternity rights, functions, or activities.

Upon the expiration of the effective period of suspension, the member shall resume all right in and pertaining to the Fraternity unless there shall then be pending charges for further suspension or expulsion against him, in which case the period of suspension shall be automatically extended until such time as final disposition is made of such charges.

Section 2. Causes For Suspension Of Membership. The Arch Chapter and each undergraduate chapter shall have the authority to suspend from the Fraternity, until a date or event certain, any member of the Fraternity on any one or more of the following grounds:

- (a) Violation of Fraternity Oath or the Chapter's Code of Conduct where such Code exists;
- (b) Conduct unbecoming a member of the Fraternity;
- (c) Disrespect of established authority of the undergraduate chapter or the Fraternity;
- (d) Unsatisfactory scholarship;
- (e) Disregard of orders officially given by the established authority of the undergraduate chapter or the Fraternity;
- (f) Failure to pay a current account due an undergraduate chapter on or before the first day of the month following the month in which the member was billed; or
- (g) Violations of laws, rules, or regulations of the Fraternity or of an undergraduate chapter including, but not limited to, those concerning hazing, alcohol, and illegal drugs.

Provided, however, that suspension of a member shall not remove jurisdiction in cases of expulsion except as herein above provided.

Section 3. Procedures For Suspension Of Member. Proceedings for suspension of a member of the Fraternity before any undergraduate chapter or the Arch Chapter shall be held in the following manner:

- (a) In an undergraduate chapter proceeding, a motion for suspension shall be made and seconded at any regular meeting of the undergraduate chapter in which a quorum is present, with said motion to be immediately tabled until the member to be suspended has been given six (6) days oral or written notice of the existence of such motion. After such six (6) day notice has been given, the motion may be recalled from the table and the member shall be suspended until a date or event certain upon a majority vote of those members actually attending any regular

meeting at which a quorum is present.

(b) In an Arch Chapter proceeding, the Arch Chapter shall have the power to suspend any member of the Fraternity at any time to a date or event certain, by a eight-elevenths (8/11) vote.

Section 4. Expulsion From Membership. Expulsion from membership means forfeiture of membership in the Fraternity through affirmative exercise of constituted authority of the Fraternity. After expulsion, the former member shall not be permitted to attend meetings of the Fraternity or any of its chapters, to take part in any Fraternity rite or function, or to hold himself out as a member of, or in any way to identify himself with the Fraternity through the use of insignia or otherwise, or to have any rights whatsoever in or pertaining to the Fraternity.

Section 5. Causes For Expulsion. The Arch Chapter, and each undergraduate chapter, shall have the authority to expel from the Fraternity a member of the Fraternity on any one or more of the following grounds:

(a) Conduct which renders a member's presence in his undergraduate chapter detrimental to the harmony and standing of the chapter or the Fraternity.

(b) Conduct of a member that renders his membership detrimental to the best interest of the Fraternity.

(c) Violation of the Fraternity Oath or the Chapter's Code of Conduct where such Code exists.

(d) Violations of laws, rules, or regulations of the Fraternity or of an undergraduate chapter including, but not limited to, those concerning hazing, alcohol, and illegal drugs.

(e) Conduct unbecoming a member of the Fraternity.

(f) Failure to pay a current account due an undergraduate chapter on or before the first day of the month following the month in which the member was billed.

(g) In the case of proceedings commenced by the Arch Chapter, conduct by a member of an alumni chapter injurious to such chapter.

(h) In the case of proceedings commenced by the Arch Chapter, failure of an alumnus, after thirty (30) day's notice, to pay in full an account, which is more than a year old, due an undergraduate chapter.

Section 6. Procedure For Expulsion By Arch Chapter; Membership Review By Alumni Supervisory Committee.

(a) In the case where the Arch Chapter has appointed an Alumni Supervisory

Committee, and such Committee has reviewed all or part of the membership of an undergraduate chapter, upon receipt of the written request of such a Committee, the Arch Chapter, upon twenty one (21) days written notice to the member, may expel by a eight-elevenths (8/11) vote from the Fraternity any member so reviewed and recommended.

(b) The written notice shall include a description of the charges, which provide the basis for the expulsion. The member shall have the opportunity to respond to those charges in writing or in person at the Arch Chapter meeting immediately following the giving of the notice.

Section 7. Procedure For Expulsion From Membership By Arch Chapter: Alternative.

(a) In the case where an Alumni Supervisory Committee has not been appointed, or where such committee has been appointed but has not conducted or completed a membership review, proceedings for the expulsion of an undergraduate or alumnus member by the Arch Chapter shall be commenced by the passage of a resolution of the Arch Chapter presenting the charge or charges, which resolution shall serve as the Bill of Complaint.

(b) A copy of the Bill of Complaint shall be sent to the accused directing said individual to respond in writing to each charge contained in the Bill of Complaint within thirty (30) days of notice being sent.

(c) If no response is received or if there is no dispute in the answer to all or a material part of the charges in the Bill of Complaint, then the Arch Chapter may proceed to vote upon such proposed expulsion without further hearing or investigation.

(d) If any charge contained in the Bill of Complaint is disputed, the President of the Fraternity, with consultation of the Division President where the investigation shall take place, shall appoint a Phonarch to conduct an investigation. The Phonarch shall interview the member(s) whose expulsion is sought and such other persons as he deems necessary to determine all of the relevant facts. The Phonarch shall assemble any documentary evidence he finds relevant and submit a written report to the Executive Vice President who shall forward the same to the Arch Chapter.

(e) Upon receipt of the Phonarch's report, the Executive Vice President shall promptly send a copy of it to the member(s) whose expulsion is sought by the same method provided in subsection (b) above. He shall also be notified in writing of the date and place of the next Arch Chapter meeting when the motion to expel will be heard, which meeting shall not be less than thirty (30) days from the date that the Phonarch's report is sent to him, at which time he may appear and be heard. Any additional written materials which he wishes to submit to the Arch Chapter for consideration must be delivered to the Central Office not less than fourteen (14) days before such Arch Chapter meeting.

(f) The Arch Chapter, after consideration of the report of the Phonarch and any other matters presented to it at or prior to its meeting, shall make its decision with a eight-eleventh (8/11) vote required for expulsion. The Executive Vice President shall notify the member whose expulsion is sought of the final disposition of the vote of the Arch Chapter.

Section 8. Procedure For Expulsion By Undergraduate Chapter. An undergraduate chapter may commence expulsion proceedings against any undergraduate member of said chapter where initiated or affiliated, including a member who is no longer in college for any act which occurred while he was in college; provided, however, that not more than six (6) months shall have elapsed between the date of such member's leaving college and the filing of charges against such member.

Proceedings for expulsion by an undergraduate chapter shall be held in the following manner:

(a) A motion for expulsion shall be made and seconded at any regular meeting in which a quorum is present, with said motion to be immediately postponed until the member to be expelled has been given six (6) days oral or written notice of the time and place that the motion will be voted upon. Such time and place shall not be less than six (6) days from the actual notification of the member to be expelled of the time and place of the meeting.

(b) The meeting in which the expulsion is voted upon shall include a full and fair discussion by all chapter members of the charges made against the member proposed to be expelled, all to the end that traditional standards of due process and substantial justice are observed toward the member proposed to be expelled.

(c) After a thorough discussion of the charges against the member to be expelled, the chapter shall vote on the motion. The motion shall be passed and the member expelled if two-thirds (2/3) or more of the undergraduate members attending the meeting vote for the motion to expel the member.

(d) The recording secretary of the chapter voting expulsion of any undergraduate member shall, upon the vote for such expulsion, certify the following to the Arch Chapter:

(1) That written or oral notice of the time and place of the meeting to expel such undergraduate member was delivered to the expelled undergraduate member at least six (6) days prior to the meeting.

(2) That at the meeting to expel, a full and fair consideration of the charges against the expelled member was allowed and that the expelled member had opportunity to present his side of any controversy.

(3) That two-thirds (2/3) or more of the undergraduate members present at the meeting in which the undergraduate member was expelled voted in favor of his

expulsion.

(4) That a quorum was present at the undergraduate meeting where the undergraduate member was expelled.

Section 9. Procedure for Appeal from Expulsion by Undergraduate Chapter. Any member expelled by action of an undergraduate chapter may petition the Arch Chapter for reinstatement, which reinstatement shall occur under the following conditions:

(a) Any member who disputes that he had a fair or impartial hearing at his expulsion proceeding or that he had inadequate notice of his expulsion proceeding may, not later than six (6) months from the date of his expulsion by an undergraduate chapter, petition the Arch Chapter for reinstatement upon the grounds that his notice was inadequate or that his hearing was unfair. Upon receipt of a petition making such allegations, the Arch Chapter shall investigate the allegation and may, by majority vote, reinstate such member and remand the expulsion to the undergraduate chapter with instructions to correct any inadequacy in the proceedings below and redetermine the matter of the member's expulsion.

(b) Any expelled member not proceeding pursuant to subsection (a) above may petition the Arch Chapter for reinstatement and, by a eight-elevenths (8/11) vote of the Arch Chapter, may be restored to full and regular standing in the Fraternity. Said petition shall set forth fully all circumstances and reason for such reinstatement and shall be endorsed by at least five (5) members of the Fraternity, three (3) of whom shall be alumni or undergraduate members of the petitioner's chapter.

Section 10. Actions Upon Expulsion. In the event of expulsion from membership, and notwithstanding his right of appeal herein, the expelled member shall immediately surrender his Badge of membership and Certificate of Membership to the chapter advisor or the Executive Vice President of the Fraternity notwithstanding his right of appeal herein, who shall forward these items to the Central Office.

Section 11. Appeal From Suspension. Any member of an undergraduate chapter who is suspended until a date or event certain that ends at least six (6) months after the date of his suspension may petition the Arch Chapter for reinstatement by the same means and methods as are provided in Section 9 above for the appeal to the Arch Chapter of an expulsion from membership.

The Arch Chapter may remit such fines in whole or in part, upon the recommendation of the finance committee of the undergraduate chapter.

Section 3. Disciplinary Fines and Penalties. The Arch Chapter shall impose suitable fines or other penalties for failure to render any prescribed report, delinquency or neglect in the performance of any official duty, and violation of any of the provisions of the *Constitution*, laws, regulations, or *Ritual* of the Fraternity.

ARTICLE XI

Pledging, Initiation, and Affiliation

Section 1. Requirements Prior to Initiation. Prior to initiation into the Fraternity the Outer Mysteries shall be administered to each prospective member and the prescribed form completed by him. The chapter advisor shall retain this form until the candidate is initiated, or the pledge is cancelled, whereupon he shall deliver to the chapter treasurer for forwarding to the Central Office the forms for those candidates who have been initiated.

Section 2. Notice of Pledging. Within two (2) weeks after the pledging of a prospective member, the Executive Vice President shall forward to the parents or guardian for such pledged candidate a letter announcing said pledging, briefly stating the aims and purposes of the Fraternity and advantages afforded by membership, together with a statement of the financial obligations assumed by such membership.

Section 3. Cancellation of Pledge. All pledges, who are not eligible for initiation by the close of the semester or second quarter next following the semester or quarter in which they are pledged, shall be depledged and the Pledge Pin recalled; provided, however, that this law shall not apply when initiation is deferred beyond such period by local regulation or agreement. When the pledged candidate discontinues his college course or transfers to another institution the pledge shall be cancelled and the Pledge Pin recalled.

Section 4. Voting on Membership. The vote required by Article IV, Section 1 (c) of the *Constitution* shall be obtained prior to, or at the time a prospective member is pledged and not thereafter. This pledge may be cancelled at any regular meeting of the chapter or colony at which a quorum is present, provided that notice of such proposed action was given at the preceding meeting. Depledging on grounds of unsatisfactory scholarship, as defined in the

Bylaws of an undergraduate chapter or colony, during the preceding semester, quarter, or term may be automatic, or it may be by majority vote, whichever is specified in the bylaws of that chapter or colony. Depledging on any other grounds shall require a two-thirds (2/3) vote, unless otherwise specified in the bylaws of the undergraduate chapter or colony, and in no case may a chapter or colony provide for depledging by less than a majority vote.

Section 5. Prohibition on Hazing. Any form of physical or mental harassment, violence, abuse, or failure to accord to any pledge or initiated member the dignity due him as a man, commonly referred to as "hazing," is strictly prohibited, and perpetration thereof by a chapter or any member shall be deemed conduct detrimental to the best interests of the Fraternity and conduct unbecoming a member of the Fraternity.

Section 6. Affiliation. Each undergraduate chapter may, by a two-thirds (2/3) vote at any regular meeting, affiliate into its membership any duly initiated undergraduate or postgraduate student in the institution where it is located, after definitively ascertaining that he is in due and regular standing in the Fraternity and is not financially indebted to any other undergraduate chapter. Before a member may be affiliated the chapter must ascertain his scholastic record at the college he attended previously; in cases where that record has not been entirely satisfactory, he is not eligible for affiliation until he has completed a semester's work satisfactory in the second institution. The Arch Chapter shall have the power to cancel an affiliation in cases where the member's previous financial or scholastic record has been unsatisfactory. The affiliating undergraduate chapter may cancel the affiliation of any affiliated member who remains a student in the institution, by a two-thirds (2/3) vote at any regular meeting, provided that notice of such contemplated action has been given at the preceding meeting.

Section 7. Recognition of Distinguished Service. The Arch Chapter shall have the power to establish procedures for the recognition of members performing distinguished service to the Fraternity or whose successful careers have brought honor to the Fraternity by reason of their membership.

Section 8. Certification of Academic Eligibility. The investigation required by Art. IV, Sec 2(b) of the *Constitution* may include obtaining an individual's high school academic record, mid-semester grades from the institution attended, or other inquiry to satisfy the chapter of the man's eligibility for initiation. The results of such inquiry should be provided to the Chapter Advisor and Faculty Academic Advisor for their review and to allow for the certification required by Article IV, Section 2 (b). In the absence of both those alumni positions in an undergraduate chapter, the information shall be provided to the Director of Academic Affairs of the Arch Chapter.

Section 9. Holdover Pledges. A man who has completed the period of pledgship but is ineligible for initiation for any reason, including meeting academic, financial, or other standards of membership, shall be designated as a "Hold Over Pledge" until such time as he shall be eligible for initiation or subject to cancellation of his pledge as provided herein.

ARTICLE XII

Examinations shall have three (3) parts: A part consisting of questions prepared by the Central Office under the direction of the Executive Vice President, a part prepared by the chapter advisor or his nominee from questions provided annually by the Central Office, and a part prepared by the chairman of the Pledge Education Committee covering matters of chapter concern. The chapter advisor shall administer all Examinations, and certify to the Arch Chapter on the prescribed initiation forms that a passing grade of at least seventy percent (70%) on each part of the Examination was attained by each candidate prior to and as a prerequisite to initiation.
